Eliza Broadus State Missions Offering

Although located in the Bible-Belt of the United States, Kentucky's degree of lostness would probably surprise many of her residents. A long, hard look at statistical reality reveals extensive spiritual needs and urgency for church plants throughout the state, particularly in the eastern region. Faithful missionaries and volunteers across our state challenge all Kentucky Baptists to testify of their faith in Christ and support ministries which share the gospel. Prayerfully consider what you will give to support the spread of the gospel in Kentucky. We will be collecting through today. Given to date: \$350.00.
