Responding to God's Word:

1. How does God want my beliefs and/or actions to change?
2. How can I specifically apply the truths I have learned to accomplish this change?
3. What is the first step I must take toward bringing about this change? Be specific!

"And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ."
 Philippians 1:6

Today we want to congratulate and extend our best wishes to Benita Decker as she retires after serving for seventeen years as our music/worship leader. Benita has served our church in so many ways seen/unseen, part of her job description and not, always selfless and sacrificial. We're so grateful that she isn't going anywhere, but will continue to worship and serve with us for (we hope) years to come!

~Every Day in the Word~

True transformative Kingdom growth occurs when we slow down and spend time in God's Word and in prayer. It is foundational to our Christian growth and service. Plan a time each day to be still and quiet in study and prayer. Allow God's Word to work in you.

Happy Birthday!
