Sunrise Children Services Offering- Today

Sunrise Children's Services, an agency of the Kentucky Baptist Convention, continues to provide quality care and hope for hurting families and children through Christ-centered ministries. Sunrise Children's Services needs our support more than ever. They have not been able to sign the annual contract with the state this year because the state has not allowed the traditional addendum that allows Sunrise to operate according to their Biblical beliefs. If this issue is not resolved before July 1, Sunrise will lose significant federal funding and, most importantly, they will no longer receive referrals of children in crisis that desperately need care and the gospel. How can you help?

- **Pray.** Pray for the children and families impacted by this situation and for those currently receiving care at Sunrise facilities and foster care program. Pray for the Sunrise leadership and staff as they navigate this situation. Pray for the governor, his leadership staff and the leadership at the Cabinet for Health and Family Services.
- **Call or email** the Governor's Office to voice support for Sunrise. Call 502-564-2611 and ask to leave a message for the governor. Voice your support of the Sunrise Children's Services contract. You may also message the Governor's Office at governor.ky.gov/contact-us.
- **Give.** Today and next Sunday we will be collecting our annual offering for Sunrise. Prayerfully consider how you can support this ministry. Giving may be done by check with "Sunrise" written in the memo field or online at the farmdalebaptist.com website (Note: Give to General Fund and send a message to Tommy letting him know how you want to designate your gift.)
