1. How does God want my beliefs and/or actions to change?

COVID Information

We encourage/recommend that those who are vulnerable through health issues (vaccinated or not) and those unvaccinated (especially children) consider wearing masks for their own protection and to maintain social distancing as you gather for church functions. We will have the left side of the sanctuary (from the foyer) roped off for social distance seating for those who would like to use it. Those who have been vaccinated, we are currently being told we can spread the Delta variant, therefore out of brotherly love we should consider wearing masks for the sake of others and definitely respect those who are wearing masks and seeking to maintain social distance by allowing them to do so. We will continue to monitor this issue in light of what is being recommended and our church's safety.

"So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith."
Galatians 6:10

Gospel to Every Home (GTEH)

Prayer is crucial as we engage in the GTEH initiative. It will take the fervent prayers of everyone to effectively reach the residents of nearly 1,200 homes in our surrounding communities with the gospel. This week we are continuing our 40 days of prayer. We are also beginning our gospel training in Children's Church today and on Wednesday night with training for adults, youth, and children. Don't miss these opportunities to prepare our hearts and minds to take the gospel to every home!
