

The Woman and the Dragon

Revelation 12:1-17

I. Two Signs. *vv. 1-6*

II. War in Heaven. *vv. 7-12*

III. The Conflict Continues. *vv. 13-17*

Responding to God's Word:

1. How does God want my beliefs and/or actions to change?
2. How can I specifically apply the truths I have learned to accomplish this change?
3. What is the first step I must take toward bringing about this change? Be specific!

COVID Information

We encourage/recommend that those who are vulnerable through health issues (vaccinated or not) and those unvaccinated (especially children) consider wearing masks for their own protection and to maintain social distancing as you gather for church functions. We will have the left side of the sanctuary (from the foyer) roped off for social distance seating for those who would like to use it. Those who have been vaccinated, we are currently being told we can spread the Delta variant, therefore out of brotherly love we should consider wearing masks for the sake of others and definitely respect those who are wearing masks and seeking to maintain social distance by allowing them to do so. We will continue to monitor this issue in light of what is being recommended and our church's safety.

Mission Trip: 2022 Rio De Janeiro, Brazil

Farmdale's next mission trip is scheduled for May 13th thru 21st, 2022. For more information, contact Michael McCurdy.

Gospel to Every Home (GTEH)

Prayer is crucial as we engage in the GTEH initiative. It will take the fervent prayers of everyone to effectively reach the residents of nearly 1,200 homes in our surrounding communities with the gospel. This week we are continuing our 40 days of prayer. We are also continuing our gospel training in Children's Church today and will begin on Wednesday night with training for adults, youth, and children. Don't miss these opportunities to prepare our hearts and minds to take the gospel to every home!
