Responding to God's Word:

1. How does God want my beliefs and/or actions to change?
2. How can I specifically apply the truths I have learned to accomplish this change?
3. What is the first step I must take toward bringing about this change? Be specific!

COVID Information

We encourage/recommend that those who are vulnerable through health issues (vaccinated or not) and those unvaccinated consider wearing masks for their own protection and to maintain social distancing as you gather for church functions. We will have the left side of the sanctuary (from the foyer) roped off for social distance seating for those who would like to use it. Those who have been vaccinated, we are currently being told we can spread the Delta variant, therefore out of brotherly love we should consider wearing masks for the sake of others and definitely respect those who are wearing masks and seeking to maintain social distance by allowing them to do so. We will continue to monitor this issue in light of what is being recommended and our church's safety.

Children Ministry Requirement

*We are requiring all children 3-11 (or as soon as able to wear one) to wear a mask when (only required when) participating in children's classes (Wed. PM GTEH Training, Sunday School, Children's Church, and 116 KIDZ on Sunday nights).

Gospel to Every Home (GTEH)

We encourage you to prayer drive or walk our designated areas. While you are praying remember: We need to pray for us to have a renewed joy and awe of our salvation and for us to rekindle an evangelistic burden for our lost friends, family, and neighbors. We need to pray for a refocus of our priorities to His focus on the harvest (John 4:35-38), and that we would revive our hearts and church.

Acts 1:8 Weekly Prayer Focus
