Cultivating Leaders: A Case Study in Disciplemaking with John Mark

Cultivating Leaders/ Discipleship; Mentor; Leadership; Apprentice; John Mark/Acts 12:12; 12:25; 13:5

The Apostles Peter and Paul show us they identified a disciple in John Mark, invested in him, and provided an internship from which to help him grow into a disciplemaker.

Discipleship Memory Verse: 2 Timothy 2:2

1. Identify _____ Disciples. *(Acts 12:12)*
2. _____ new Disciples. *(Acts 12:25)*
3. Provide an _____, or Opportunity for the Disciples. *(Acts 13:5)*

Responding to God's Word:

1. How does God want my beliefs and/or actions to change?
2. How can I specifically apply the truths I have learned to accomplish this change?
3. What is the first step I must take toward bringing about this change? Be specific!

If you would like to speak personally to Pastor Jonathan, he can be reached by phone at (859) 613-4339 or by email at jonathan@farmdalebaptist.com.

COVID Information

We encourage/recommend that those who are vulnerable through health issues consider wearing masks for their own protection and to maintain social distancing as you gather for church functions. We will have the left side of the sanctuary (from the foyer) roped off for social distance seating for those who would like to use it. We should consider wearing masks for the sake of others and respect those who are wearing masks and seeking to maintain social distance by allowing them to do so. We will continue to monitor this issue in light of what is being recommended and our church's safety.
