### Responding to God's Word:

1. How does God want my beliefs and/or actions to change?
2. How can I specifically apply the truths I have learned to accomplish this change?
3. What is the first step I must take toward bringing about this change? Be specific!

### COVID Information

We encourage/recommend that those who are vulnerable through health issues consider wearing masks for their own protection and to maintain social distancing as you gather for church functions. We will have the left side of the sanctuary (from the foyer) roped off for social distance seating for those who would like to use it. We should consider wearing masks for the sake of others and respect those who are wearing masks and seeking to maintain social distance by allowing them to do so. We will continue to monitor this issue in light of what is being recommended and our church's safety.
