COVID Information

We encourage/recommend that those who are vulnerable through health issues consider wearing masks for their own protection and to maintain social distancing as you gather for church functions. We will have the left side of the sanctuary (from the foyer) roped off for social distance seating for those who would like to use it. We should consider wearing masks for the sake of others and respect those who are wearing masks and seeking to maintain social distance by allowing them to do so. We will continue to monitor this issue in light of what is being recommended and our church's safety.

Week of Prayer North American Missions Annie Armstrong Easter Offering (AAEO)

Because we pray and because we give, lives are changing across America. According to statistics, over 269 million people across N. America do not know Christ. N. American missionaries are addressing this lostness through church planting and compassion ministries. Please use the prayer guide in your bulletin and this week's daily email reminders to pray for missionaries in N. America. Prayerfully consider how you can be the hands and feet of Jesus in our community and what you will give to the AAEO. We will collect this offering starting next Sunday and through April. Our church goal: \$2,000.
