Responding to God's Word:

1. How does God want my beliefs and/or actions to change?
2. How can I specifically apply the truths I have learned to accomplish this change?
3. What is the first step I must take toward bringing about this change? Be specific!

Annie Armstrong Easter Offering (AAEO) United to Reach the Nations in Our Neighborhood

An estimated 275 million people in North American countries, representing almost every nation in the world, are lost and without Christ. We are one of the most complex mission fields in the world. Yet, because we pray and because we give, lives are changing across our continent through the work of over 2,200 missionaries and multitudes of volunteers. Prayerfully consider how you can unite with NAMB missionaries by continuing to pray, perhaps by going, and by giving to the AAEO. We will collect this offering today and through next week. **Our church goal: \$2,000.**
